Total			1500 Marks

4 The medium of Examination shall be English.

5. No grace marks should be allowed in any examination or practical under any guise or name.

Regulations

1. This examination shall be open to any student who: -
 - a. has been enrolled during the academic year preceding the final/fifth professional examination in a constituent/affiliated College of the University in the Faculty of Medicine.
 - b. has passed the Fourth Professional Examination from University of Health Sciences or an examination from any other recognised University considered equivalent for the purpose by the Academic Council, not less than one academic year previously.
 - c. has his/her name submitted to the Controller of Examinations for the purpose of examination, by the Principal of the College in which he / she is enrolled.
 - d. has his/her marks of internal assessment in all the subjects sent to the Controller of Examinations by the Principal of the College along with the admission forms.
 - e. produces the following certificates duly verified by the Principal of his/her College:
 - i. of good character;
 - ii. of having attended no less than seventy five percent (75%) of the full course of lectures delivered and practicals conducted in each of the subjects of the Final/Fifth Professional Examination;
 - iii. of having attained a minimum of 75% cumulative attendance for the clinical subjects i.e Medicine, Surgery, Gynecology & Obstetrics and Paediatrics, inclusive of attendance during the examination year as well as the preceding year(s).
 - iv. of having been engaged in clinical work at a recognised hospital for a period of not less than three years after passing Second Professional Examination.
 - f. The Chairman of the College Academic Council / Principal of the College may condone for valid reasons deficiency up to 05% of lectures in written papers, practical and 05% in clinical. Candidates falling short of lectures or practical / clinical above this percentage shall not be admitted to the examination but may be permitted to appear at the next examination if they attend 75% of the lectures delivered and the practical / clinical conducted up to the commencement of the next examination by remaining on the rolls of a college as regular student.
2. The minimum number of marks required to pass this examination for each subject shall be fifty percent (50%) in written, fifty percent (50%) of the

aggregate in the oral and practical / clinical and fifty percent (50%) in the clinical examination separately at one and the same time. A candidate, at any subsequent examination, shall have to take all the subjects of the examination in which he / she has failed. A candidate will be declared to have passed only when he / she has passed in all the subjects.

3. Candidates who secure eighty five percent (85%) or above marks in any subject shall be declared to have passed “with distinction” in that subject and no candidate who does not pass in all the subjects of the Final Professional Examination as a whole at one and the same time shall be declared to have passed “with distinction” in any subject.
4. Every candidate shall forward to the Controller of Examinations his/her application for admission to the examination at least four weeks before the commencement of the examination accompanied by the prescribed fee.
5. Awards of internal assessment in all the subjects of all the candidates shall be submitted to the Controller of Examinations along with Admission Forms for the annual examination. Internal assessment received after commencement of the examination shall not be accepted. The marks of internal assessment shall be submitted only once a year prior to annual examination and the same shall be counted for both annual and supplementary examinations. It is further emphasized that fresh internal assessment or a revision of assessment for supplementary examination shall not be permissible. However, it is required from the Colleges to submit a revised internal assessment for the detained students. The internal assessment award in a particular year will not be decreased subsequently detrimental to the detainee candidate. Proper record of the continuous internal assessment shall be maintained by respective departments of Medical Colleges.
6. Whenever the application or the fee of the candidate is received after the last date prescribed above, the candidate shall pay the prescribed double the ordinary admission fee, provided that such application shall only be entertained if it is received not less than fifteen days before the commencement of the examination.
7. The candidates shall pay their fee through the Principal of their respective Colleges who shall forward a bank draft/pay order/crossed cheque in favour of Treasurer, University of Health Sciences, Lahore along with Admission Forms.
