

## **STATUTES & REGULATIONS FOR FIRST PROFESSIONAL B.SC. NURSING EXAMINATIONS**

### **General Regulations**

1. An examination for the degree of 4-year B.Sc. Nursing shall be held every year in affiliated University of Health Sciences at dates fixed by the Vice Chancellor on the recommendations of the Board of Studies.
2. A candidate who fails to pass in First Year examination, three consecutive chances availed or un-availed after becoming eligible for First Year examination shall cease to become eligible for further B. Sc. Nursing Degree Program.

### **Statutes**

1. The First Professional B.Sc. Nursing Examination shall be held at the end of 1<sup>st</sup> year B.Sc. Nursing class.
2. Every candidate shall be required to study subjects of Basic Sciences (Anatomy & Physiology, Biochemistry, and Microbiology), Fundamental of Nursing (Nursing Ethics), Behavioural Sciences (Psychology (Behavioral & Developmental), Sociology)
3. First Professional B.Sc. Nursing shall test every candidate in following three subjects:

i.	Basic Sciences	200 Marks
	▪ Anatomy & Physiology	
	▪ Biochemistry	
	▪ Microbiology	
ii.	Fundamental of Nursing	200 Marks
	▪ Nursing Ethics	
iii.	Behavioral Sciences	100 Marks

#### **i. Basic Sciences**

The examination in the subject of Basic Science shall be as follows:

- i. One written paper of 90 marks in Basic Sciences having two parts.
  - a. Part I shall have 45 Multiple Choice Questions (MCQs) of 45 marks and the time allotted shall be one hour.

- b. Part II shall have 9 Short Essay Questions (SEOs) of 45 marks and the time allotted shall be two hours.
- ii. Oral and practical examination shall have 90 marks.
- iii. The continuous internal assessment shall carry 20 marks i.e. 10% of the total allocated marks for the subject. These marks will be equally distributed to the theory and practical examination as under:
  - a. Ten (10) marks from continuous internal assessment shall be added to the final theory examination score and the candidate shall pass in aggregate.
  - b. Ten (10) marks from continuous internal assessment shall be added to the final practical examination score and the candidate shall pass in aggregate.

**ii. Fundamentals of Nursing**

The examination in the subject of Fundamentals of Nursing shall be as follows:

- i. One written paper of 90 marks in Fundamentals of Nursing having two parts.
  - a. Part I shall have 45 Multiple Choice Questions (MCQs) of 45 marks and the time allotted shall be one hour.
  - b. Part II shall have 9 Short Essay Questions (SEOs) of 45 marks and the time allotted shall be two hours.
- ii. Oral and practical examination shall have 90 marks.
- iii. The continuous internal assessment shall carry 20 marks i.e. 10% of the total allocated marks for the subject. These marks will be equally distributed to the theory and practical examination as under:
  - a. Ten (10) marks from continuous internal assessment shall be added to the final theory examination score and the candidate shall pass in aggregate.
  - b. Ten (10) marks from continuous internal assessment shall be added to the final practical examination score and the candidate shall pass in aggregate.

**iii. Behavioral Sciences**

The examination in the subject of Behavioral Sciences shall be as follows:

- i. One written paper of 45 marks in Behavioral Science having two parts.
  - a. Part I shall have 25 Multiple Choice Questions (MCQs) of 25 marks and the time allotted shall be one hour.
  - b. Part II shall have 4 Short Essay Questions (SEOs) of 20 marks and the time allotted shall be two hours.
- ii. Oral and practical examination shall have 45 marks.

- iii. The continuous internal assessment shall carry 10 marks i.e. 10% of the total allocated marks for the subject. These marks will be equally distributed to the theory and practical examination as under:
- a. Five (05) marks from continuous internal assessment shall be added to the final theory examination score and the candidate shall pass in aggregate.
  - b. Five (05) marks from continuous internal assessment shall be added to the final practical examination score and the candidate shall pass in aggregate.

4. The Marks distribution in each subject is given in Table - 1

**Table-1**

<b>Subject</b>	<b>Theory</b>	<b>Practical</b>	<b>Total</b>
Basic Sciences	Part I MCQs 45 marks Part II SEQs 45 marks Internal Assessment 10 marks 100 marks	Oral and Practical 90 marks Internal assessment 10 marks 100 marks	200 Marks
Fundamental of Nursing	Part I MCQs 45 marks Part II SEQs 45 marks Internal Assessment 10 marks 100 marks	Oral and Practical 90 marks Internal assessment 10 marks 100 marks	200 Marks
Behavioral Sciences	Part I MCQs 25 marks Part II SEQs 20 marks Internal Assessment 05 marks 50 marks	Oral and Practical 45 marks Internal assessment 05 marks 50 marks	100 Marks
			<b>500 Marks</b>

## **STATUTES & REGULATIONS FOR SECOND PROFESSIONAL B.SC NURSING EXAMINATIONS**

### **General Regulations**

1. An examination for the degree of 4-year B.Sc Nursing shall be held every year in affiliated University of Health Sciences at dates fixed by the Vice Chancellor on the recommendations of the Board of Studies.
2. A candidate who fails to pass in Second Year examination, three consecutive chances availed or un-availed after becoming eligible for Second Year examination shall cease to become eligible for further B.Sc. Nursing Degree Program.

### **Statutes**

1. The Second Professional B.Sc. Nursing Examination shall be held at the end of 2<sup>nd</sup> year B.Sc. Nursing class.
2. Every candidate shall be required to study subjects of Health Sciences (Pathophysiology, Pharmacology, and Mathematics), Concepts in Clinical Nursing (Health Assessment and Adult Health), and Community Health.
3. Second Professional B.Sc. Nursing shall test every candidate in following two subjects:
  - i. Health Sciences 200 Marks
    - Pathophysiology
    - Pharmacology
    - Mathematics
  - ii. Concepts in Clinical Nursing 100 Marks
    - Health Assessment
    - Adult Health

#### **i. Health Sciences**

The examination in the subject of Health Science shall be as follows:

- i. One written paper of 90 marks in Health Sciences having two parts.
  - a. Part I shall have 45 Multiple Choice Questions (MCQs) of 45 marks and the time allotted shall be one hour.
  - b. Part II shall have 9 Short Essay Questions (SEQs) of 45 marks and the time allotted shall be two hours.
- ii. Oral and practical examination shall have 90 marks.

- iv. The continuous internal assessment shall carry 20 marks i.e. 10% of the total allocated marks for the subject. These marks will be equally distributed to the theory and practical examination as under:
  - a. Ten (10) marks from continuous internal assessment shall be added to the final theory examination score and the candidate shall pass in aggregate.
  - b. Ten (10) marks from continuous internal assessment shall be added to the final practical examination score and the candidate shall pass in aggregate.

**ii. Concepts in Clinical Nursing**

The examination in the subject of Concepts in Clinical Nursing shall be as follows:

- i. One written paper of 45 marks in Concepts in Clinical Nursing having two parts.
  - a. Part I shall have 25 Multiple Choice Questions (MCQs) of 25 marks and the time allotted shall be one hour.
  - b. Part II shall have 4 Short Essay Questions (SEQs) of 20 marks and the time allotted shall be two hours.
- ii. Oral and practical examination shall have 45 marks.
- iii. The continuous internal assessment shall carry 10 marks i.e. 10% of the total allocated marks for the subject. These marks will be equally distributed to the theory and practical examination as under:
  - a. Five (05) marks from continuous internal assessment shall be added to the final theory examination score and the candidate shall pass in aggregate.
  - b. Five (05) marks from continuous internal assessment shall be added to the final practical examination score and the candidate shall pass in aggregate.

4. The marks distribution in each subject is given in Table - 2

**Table 2**

Subject	Theory	Practical	Total
Health Sciences	Part I MCQs 45 marks Part II SEQs 45 marks Internal Assessment <u>10 marks</u> 100 marks	Oral and Practical 90 marks Internal Assessment <u>10 marks</u> 100 marks	200 marks
Concepts in Clinical Nursing	Part I MCQs 25 marks Part II SEQs 20 marks Internal Assessment <u>05 marks</u> 50 marks	Oral and Practical 45 marks Internal Assessment <u>05 marks</u> 50 marks	100 marks
			<b>300 Marks</b>

## **STATUTES & REGULATIONS FOR THIRD PROFESSIONAL B.SC NURSING EXAMINATIONS**

### **General Regulations**

1. An examination for the degree of 4-year B.Sc Nursing shall be held every year in affiliated University of Health Sciences at dates fixed by the Vice Chancellor on the recommendations of the Board of Studies.
2. A candidate who fails to pass in Third Year examination, three consecutive chances availed or un-availed after becoming eligible for Third Year examination shall cease to become eligible for further B.Sc. Nursing Degree Program.

### **Statutes**

1. The Third Professional B.Sc. Nursing Examination shall be held at the end of 3<sup>d</sup> year B.Sc. Nursing class.
2. Every candidate shall be required to study subjects of Research (Biostatistics, and Nursing Research), Advanced Concepts in Critical Nursing (Advanced Adult Health (Critical Care))
3. Third Professional B.Sc. Nursing shall test every candidate in following two subjects:
  - i. Research 200 Marks
    - Biostatistics
    - Nursing Research
  - ii. Advance Concepts in Critical Nursing 100 Marks
    - Advanced Adult Health (Critical Care)

#### **i. Research**

The examination in the subject of Research shall be as follows:

- i. One written paper of 90 marks in Research having two parts.
  - a. Part I shall have 45 Multiple Choice Questions (MCQs) of 45 marks and the time allotted shall be one hour.
  - b. Part II shall have 9 Short Essay Questions (SEQs) of 45 marks and the time allotted shall be two hours.
- ii. Oral and practical examination shall have 90 marks.
- iii. The continuous internal assessment shall carry 20 marks i.e. 10% of the total allocated marks for the subject. These marks will be equally distributed to the theory and practical examination as under:

- a. Ten (10) marks from continuous internal assessment shall be added to the final theory examination score and the candidate shall pass in aggregate.
- b. Ten (10) marks from continuous internal assessment shall be added to the final practical examination score and the candidate shall pass in aggregate.

**ii. Advanced Concepts in Critical Nursing**

The examination in the subject of Advanced Concepts in Critical Nursing shall be as follows:

- i. One written paper of 45 marks in Advanced Concepts in Critical Nursing having two parts.
  - a. Part I shall have 25 Multiple Choice Questions (MCQs) of 25 marks and the time allotted shall be one hour.
  - b. Part II shall have 4 Short Essay Questions (SEQs) of 20 marks and the time allotted shall be two hours.
- ii. Oral and practical examination shall have 45 marks.
- iii. The continuous internal assessment shall carry 10 marks i.e. 10% of the total allocated marks for the subject. These marks will be equally distributed to the theory and practical examination as under:
  - a. Five (05) marks from continuous internal assessment shall be added to the final theory examination score and the candidate shall pass in aggregate.
  - b. Five (05) marks from continuous internal assessment shall be added to the final practical examination score and the candidate shall pass in aggregate.

4. The marks distribution in each subject is given in Table - 3

**Table-3**

Subject	Theory	Practical	Total
Research	Part I MCQs 45 marks Part II SEQs 45 marks Internal Assessment 10 marks 100 marks	Oral and Practical 90 marks Internal assessment 10 marks 100 marks	200 Marks
Advance Concepts in Critical Nursing	Part I MCQs 25 marks Part II SEQs 20 marks Internal Assessment 05 marks 50 marks	Oral and Practical 45 marks Internal assessment 05 marks 50 marks	100 Marks
			<b>300 Marks</b>

## **STATUTES & REGULATIONS FOR FINAL PROFESSIONAL B.SC NURSING EXAMINATIONS**

### **General Regulations**

1. An examination for the degree of 4-year B.Sc Nursing shall be held every year in affiliated University of Health Sciences at dates fixed by the Vice Chancellor on the recommendations of the Board of Studies.
2. A candidate who fails to pass in Final Year examination, three consecutive chances availed or un-availed after becoming eligible for Final Year examination shall cease to become eligible for further B.Sc. Nursing Degree Program.

### **Statutes**

1. The Final Professional B.Sc. Nursing Examination shall be held at the end of 4<sup>th</sup> year B.Sc. Nursing class.
2. Every candidate shall be required to study subjects of Community Health (Community Health Nursing, Applied Nutrition, and Reproductive Health), Pediatric Nursing, Nursing Management (Leadership & Management, and Professional Development), Mental Health Nursing, and Clinical Practicum.
3. Final Professional B. Sc. Nursing shall test every candidate in following five subjects:
  - i. Community Health 200 Marks
    - Community Health Nursing
    - Applied Nutrition
    - Reproductive Health
  - ii. Pediatric Nursing 100 Marks
  - iii. Nursing Management 100 Marks
    - Leadership & Management
    - Professional Development
  - iv. Mental Health 100 Marks
  - v. Clinical Practicum 100 Marks

#### **i. Community Health**

The examination in the subject of Community Health shall be as follows:

- i. One written paper of 90 marks in Community Health having two parts.
  - a. Part I shall have 45 Multiple Choice Questions (MCQs) of 45 marks and the time allotted shall be one hour.
  - b. Part II shall have 9 Short Essay Questions (SEQs) of 45 marks and the time allotted shall be two hours.

- ii. Oral and practical examination shall have 90 marks.
- iii. The continuous internal assessment shall carry 20 marks i.e. 10% of the total allocated marks for the subject. These marks will be equally distributed to the theory and practical examination as under:
  - a. Ten (10) marks from continuous internal assessment shall be added to the final theory examination score and the candidate shall pass in aggregate.
  - b. Ten (10) marks from continuous internal assessment shall be added to the final practical examination score and the candidate shall pass in aggregate.

## ii. **Pediatric Nursing**

The examination in the subject of Pediatric Nursing shall be as follows:

- i. One written paper of 45 marks in Pediatric Nursing having two parts.
  - a. Part I shall have 25 Multiple Choice Questions (MCQs) of 25 marks and the time allotted shall be one hour.
  - b. Part II shall have 4 Short Essay Questions (SEQs) of 20 marks and the time allotted shall be two hours.
- ii. Oral and practical examination shall have 45 marks.
- iii. The continuous internal assessment shall carry 10 marks i.e. 10% of the total allocated marks for the subject. These marks will be equally distributed to the theory and practical examination as under:
  - a. Five (05) marks from continuous internal assessment shall be added to the final theory examination score and the candidate shall pass in aggregate.
  - b. Five (05) marks from continuous internal assessment shall be added to the final practical examination score and the candidate shall pass in aggregate.

## iii. **Nursing Management**

The examination in the subject of Nursing Management shall be as follows:

- i. One written paper of 45 marks in Nursing Management having two parts.
  - a. Part I shall have 25 Multiple Choice Questions (MCQs) of 25 marks and the time allotted shall be one hour.
  - b. Part II shall have 4 Short Essay Questions (SEQs) of 20 marks and the time allotted shall be two hours.
- ii. Oral and practical examination shall have 45 marks.
- iii. The continuous internal assessment shall carry 10 marks i.e. 10% of the total allocated marks for the subject. These marks will be equally distributed to the theory and practical examination as under:

- a. Five (05) marks from continuous internal assessment shall be added to the final theory examination score and the candidate shall pass in aggregate.
- b. Five (05) marks from continuous internal assessment shall be added to the final practical examination score and the candidate shall pass in aggregate.

**iv. Mental Health Nursing**

The examination in the subject of Mental Health Nursing shall be as follows:

- i. One written paper of 45 marks in Mental Health Nursing having two parts.
  - a. Part I shall have 25 Multiple Choice Questions (MCQs) of 25 marks and the time allotted shall be one hour.
  - b. Part II shall have 4 Short Essay Questions (SEQs) of 20 marks and the time allotted shall be two hours.
- ii. Oral and practical examination shall have 45 marks.
- iii. The continuous internal assessment shall carry 10 marks i.e. 10% of the total allocated marks for the subject. These marks will be equally distributed to the theory and practical examination as under:
  - a. Five (05) marks from continuous internal assessment shall be added to the final theory examination score and the candidate shall pass in aggregate.
  - b. Five (05) marks from continuous internal assessment shall be added to the final practical examination score and the candidate shall pass in aggregate.

**v. Clinical Practicum**

The examination in the subject of Clinical Practicum shall be as follows:

- i. One written paper of 45 marks in Clinical Practicum having two parts.
  - a. Part I shall have 25 Multiple Choice Questions (MCQs) of 25 marks and the time allotted shall be one hour.
  - b. Part II shall have 4 Short Essay Questions (SEQs) of 20 marks and the time allotted shall be two hours.
- ii. Oral and practical examination shall have 45 marks.
- iii. The continuous internal assessment shall carry 10 marks i.e. 10% of the total allocated marks for the subject. These marks will be equally distributed to the theory and practical examination as under:
  - a. Five (05) marks from continuous internal assessment shall be added to the final theory examination score and the candidate shall pass in aggregate.
  - b. Five (05) marks from continuous internal assessment shall be added to the final practical examination score and the candidate shall pass in aggregate.

4. The Marks distribution in each subject is given in Table - 4.

**Table-4**

<b>Subject</b>	<b>Theory</b>	<b>Practical</b>	<b>Total</b>
